

Flowers

Cynara scolymus L. Artichokes

Opera, F₁ (NUN 4021 AR)

Seed for trial cultivation. Filed for registration.
Very uniform and early variety with purple buds. Broad base of bud; tight, upright growth habit.

Madrigal, F₁

Very large, green, decorative buds. The opened flowers consist of blue-violet tubular florets and purple sepals.

Symphony, F₁

Very early maturing, large budded variety with green sepals. The tight, upright plant habit simplifies cultivation and enhances the crop's health.
